自分自身の性格を、どう思いますか? The innocence, spontaneity and candor of a child. Simplicity is keynoted; rather averse to forms of excessive complications. I am active, tend to manifest a philosophical detachment while I stand back and quietly view a situation to come up with insightful solutions. I tend to withdraw to my favorite places to recharge. Goal oriented but work at my own pace. Extremely high integrity & ethics. Honest, I do not give my word lightly not prone to make exaggerated claims. Very loyal and confidential to those who place trust in me.

貴方にとって最も大切な事とは何ですか? To find balance and happiness with one special lady and to love and cherish her forever. And for her to feel the same way.

今までに訪れた国: メキシコ、カナダ、ヴァージン諸島、プエルトリコ

18歳以降、U.S.A.のどの州に住んだ事がありますか? ワシントン

将来、貴方のパートナーとなる人に、交際が進展する前に、是非知っておいて貰いたい事がありますか?  はい  いいえ  
Mutual respect between husband and wife (much like the golden rule) is my philosophy to a successful relationship. I may be a bit eccentric and beneath the surface lays spontaneity capable of producing quite unexpected thoughts and acts. More often than not this spontaneity takes the welcome form of humor or expresses itself in a well needed digression from the work at hand. So a shared good humor, a willingness to communicate and a pleasant understanding attitude will take us far together.

貴方の将来の希望や計画はどんなものですか? I own and operate my own business and it affords me the opportunity to work from nearly anywhere I am. I plan to own several vacation residences and travel between them when not residing at my primary residence which I plan to custom build when I find the right woman to share it with.

貴方の将来のパートナーへのメッセージ。 I have waited until I knew I was ready to be the best spouse I can be and feel that time is here. For a love that grows like compound interest, I am your man!
