将来、貴方のパートナーとなる人に、交際が進展する前に、是非知っておいて貰いたい事がありますか? はい いいえ
I would want to know their ideas of an ideal family life. Do they want to settle down and value routine and security over all else, or travel around a little bit and live adventurously. Also, what are their expectations of a partner and how independent are they.

貴方の将来の希望や計画はどんなものですか? I have found that life is totally unpredictable so I don't like to hold on too solidly to my plans, but at the same time I do value financial security and intimacy of place, which means I want to have a "home" somewhere but not be confined to it. I want to travel while I work and travel with my family.

貴方の将来のパートナーへのメッセージ。 If you want to live a life of following your heart and seeking beauty and truth in this world then I might be a potential partner for you. Yes, part of me is a romantic dreamer, but I'm truly grounded and have a deep understanding of the way the world works. Although I enjoy some material comforts I must say that my life does not revolve around materialism and my possessions do not define or control me. My materialism is based on need, not senseless desire.
