自分自身の性格を、どう思いますか? I'm an optimistic, positive type of person. I don't take things too seriously and usually never lose my temper. I am very supportive of trying new things. I enjoy conversations about anything but generally I prefer to listen. I am more of a person that shows by my actions than just talking about it.

Currently I'm still living with family but am planning on getting my own place in Hawaii in a year or two. Also, if you had a bad day, I would do my best to brighten you up by taking you out to dinner or even massage (I'm not that good though). ☺

貴方の将来の希望や計画はどんなものですか? I hope to do more traveling! I will also try to do more volunteering.

貴方の将来のパートナーへのメッセージ。 I look forward to speaking and maybe meeting with you. If anything, I would be glad to have at least another female friend. If you choose me, you will not regret it! Aloha! ☺
