The reason I have come to this website is to create an opportunity to hopefully find my wife. I have traveled to many countries and I like Japan the most. I am ready to settle down and have a family. I am a very good man with heart of gold. I believe in equality, sharing and giving. I always like to succeed in the things I put my mind to. I can play the piano, cook, make clothes, DJ and make electronic music, I have a black sash in Kung Fu and I grew up riding a skateboard and life drawing. I am a man of many talents which I hope to share.

貴方の将来の希望や計画はどんなものですか? I would love to live in the country side; grow fruit and vegetables; raise a family and live a healthy and creative lifestyle with you. I hope we share the same dreams and goals in life.

貴方の将来のパートナーへのメッセージ。 My Japanese language skills are very basic. I am prepared to work very hard to learn the Japanese language.
